

Wireless Headset

Password 0000

Pairing with your PS3™

1. To pair your Wireless Headset with your PS3™: Ensure your Wireless Headset is turned off. Hold the On/Off key until the LED flashes blue and red. On your PS3™ systems home menu, go to (Settings), then (Accessory Settings) and select (Manage Bluetooth Devices). Select (Yes) to pair (Register) the headset with the PS3™ System. Select (Start Scanning) the PS3™ System will scan for all Bluetooth devices and display a list. Select the headset (Venom), when prompted for the passcode enter 0000.
2. To turn on your Wireless Headset hold the On/Off key for 3 seconds. The Headset LED will flash blue. Your headset will automatically connect to your PS3™ if it has already been set up.
3. To turn off your Wireless Headset hold the On/Off button for 4 seconds, the LED flashes red.
4. To adjust the volume use the +/- key whilst you Headset is switched on. Hold the + key to enter mute function.

Pairing with your XBOX 360®

1. Hold down the matching button on your Wireless Dongle until the light flashes blue and red alternatively. At the same time hold the On/Off button on your Wireless Headset until the light flashes blue and red alternatively.
2. Your Wireless Dongle should connect to your Wireless Headset automatically. The light will show blue on both the Wireless Headset and Dongle.
3. Insert the Dongle into the audio plug on your XBOX 360® controller, your Headset will now be ready to use.

Charging function

1. To charge your Headset or Dongle connect the USB cable (supplied) to your PS3™ or XBOX 360®. The LED light will show red whilst charging, when charged the light will show blue.
